WINTER HOLIDAY REUSE & RECYCLING GUIDE 2018

REDUCE, REUSE, AND RECYCLE THIS HOLIDAY SEASON

BATTERIES - RECHARGEABLE

Unusable rechargeable & button batteries can be recycled at the Drop-Off Station or the Recovery Yard.

BUBBLE WRAP

Save quality bubble wrap to be reused. If the wrap cannot be reused it should be taken to the Drop-Off Station.

ELECTRONICS

Many replaced, working electronics can be donated to the ReUse Center. Items that cannot be reused can be taken to the Drop-Off Station or Recovery Yard.

CARDBOARD

Reuse cardboard as often as possible before placing in your curbside recycling bin. If you have a quantity too large for the cart it can be taken to the Drop-Off Station or the Recovery Yard.

PAPER GIFT BAGS

Keep for reuse. If they're not suitable for reuse they can be placed in the curbside recycling cart.

CHRISTMAS TREES

Dec. 14th, 2018-Jan. 31st, 2019, Drop off Christmas trees from 6 am & 10 pm at West Park, Gallup Park, Olson Park & Southeast Area Park. More info at a2gov.org/recycle.

ARTIFICIAL CHRISTMAS TREES:

Donate reusable trees to the ReUse Center. Recycle metal & plastic trees at the Drop-Off Station. If tree is made of too many materials or has wooden elements, it cannot be recycled.

PLASTIC BAGS

Reuse for as long as possible. Larger quantities can be taken to the Drop-Off Station and area grocery stores such as Kroger and Meijer.

GREETING CARDS

Reuse cards in craft projects or donate the front page to the Scrapbox on State Circle in Ann Arbor. The back page can be placed in your curbside recycling cart for recycling. Note: Cards with foil or metallic features can't be recycled curbside.

REPLACED ITEMS:

Including sporting goods, books, and electronics. Donate any usable items to the ReUse Center. Items that can't be reused can be taken to the Drop-Off Station or Recovery Yard.

STYROFOAM PACKAGING

Can be taken to the Drop-Off Station

TEXTILES

Reusable, good textiles can go to one of Ann Arbor's many thrift stores. Torn or stained textiles can be taken to the Drop-Off Station.

WRAPPING PAPER

Save quality paper for reuse. Torn, crumbled wrapping paper can be placed in the curbside recycling bin. Foil or metallic paper can NOT be recycled and should be reused. You can also wrap your gifts in reusable fabric. Check out crafts.com for ideas.

CHRISTMAS LIGHTS

Try to fix them first. If they cannot be fixed, the Drop-Off Station and Recovery Yard will accept them.

FOOD WASTE

Unopened non-perishable items can be donated to Food Gatherers. Compost items at home: a2gov.org/compost.

BE WASTE AWARE THIS SEASON

REDUCE, REUSE, & RECYCLE THIS HOLIDAY

Reducing your impact on the environment only takes changing a few habits...

NON-MATERIAL GIFTS

Give experiential gifts like vacations or services—gift certificates for massages & movie tickets.

GIVE HOMEMADE GIFTS

And try to use reusable or recycled materials.

REUSE GIFT BAGS & WRAPPING MATERIALS

Try not to overly package gifts.

REDUCE FOOD WASTE

Shop wisely and plan ahead. Buy only what you need.

LOOK FOR RECYCLED MATERIALS

When possible buy cards, paper & even gifts made from recycled materials.

SHOP & BUY LOCAL

Whenever possible shop local and buy items made locally too. Consider buying reused items.
