

All Together Now: Recycling Guidelines

Recycling carts are located next to trash dumpsters at apartment and condominium complexes. Rental houses and apartments with fewer than three buildings must place carts at the curb by 7 a.m. on your collection day. For details, call (734) 662-6288.

Paper & Flattened Boxes

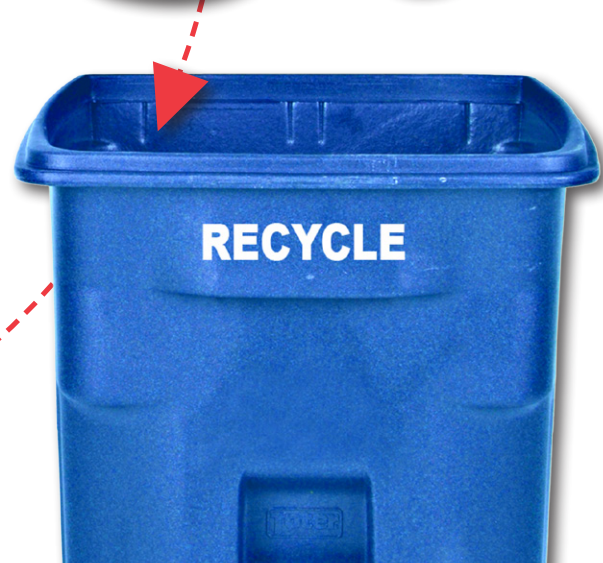

Everything, including cardboard, must fit inside the cart with the lid closed. Lid may not be secured.

Empty and flatten boxes.

Place shredded paper in clear, sealed plastic bags.
