

Recycle Ann Arbor's Zero Waste Special Event Services

The goal of Zero Waste events are to plan ahead to **limit the amount of waste produced** and **distribute materials that are locally recyclable, compostable, or reusable.**

By doing so, we are all working together to **minimize the materials that have to be sent to a landfill.**

During 2013, we helped events **divert 93% of their waste** from landfill.

What services are included?*

- Rental of Zero Waste Stations
- Disposal of Event Waste
- Volunteer Coordination
- Pre-event Consulting
- Vendor Relations

Interested in an event estimate? Contact our Outreach & Zero Waste Event Coordinator at 734.662.6288 ext. 119 or Christine@recycleannarbor.org

We have already partnered with these local events and organizations: HomeGrown Festival, Arbor Brewing Company's OktoberFest, Earth Day Festival, Mayor's Green Fair, and the Huron River WaterShed Council.

Will your event be next?

**Services vary based on event needs and size. Event Coordinators will be required to sign a contract and agree to adhere to Zero Waste Vendor Guidelines established by Recycle Ann Arbor.*
